A complaint was recently received by our Department alleging violations of the California Retail Food Code at this facility. In response to the complaint, an inspection of the facility was conducted and our investigation findings are provided below. If violations are noted, then appropriate corrective action is required as listed in the main section of this report. Thank you for your cooperation. One reinspection will be conducted (if needed) at no charge. A service fee is assessed for each additional reinspection required.

Inspection Findings and General Comments:

*Today's investigation was prompted by an alleged complaint stating facility is infested with roaches.

*The following was observed during today's investigation:

- Facility contracts with Terminix Pest Control.
-Invoices were available on-site for review.
-Pest control comes out to facility twice a month.
-Did not observe presence of roaches at time of investigation.
-Recommend pest control to treat entire facility and not just kitchen area.

*At this time, compliant will be abated.
