Violation: RESTROOM FACILITIES NOT MAINTAINED

[HSC 114250 & 114276]

Description/Corrective Action: The men's restroom is in need of cleaning and one urinal is non-functional and must be repaired. A repair order has reportedly been submitted.

General Comments:

All hot and cold holding temperatures checked today were satisfactory. A digital probe thermometer was given to the operator today to replace the existing analog version for use in checking internal food temperatures. All hand wash stations were fully stocked and the facility was generally noted to be clean. Restroom were recently remodeled, and additional work on floor tile is planned for the near future. Plans were approved by our agency prior to construction.

Thank you
