Violation: None Noted

General Comments:

This initial equipment inspection took place to determine if the new KCAO warehouse is suitable to store prepackaged foods as well as potentially hazardous foods in their walk-in unit.

During this inspection, the warehouse was inspected and was observed to be suitable to store prepackaged foods. The facility's walk-in refrigerator was not inspected today; however, make sure the unit measures at or below 41°F before placing potentially hazardous foods in the unit. Thermometers were given during today's inspection.

Please make sure to store food six inches off the ground. The facility may begin to use this warehouse to store food.
