## **2008 FLU SHOT CLINICS IN KINGS COUNTY**

HANFORD – In preparation for the upcoming flu season, the Kings County Health Department will offer influenza vaccines at six flu shot clinics at various locations throughout the County on October 23<sup>rd</sup>. The targeted populations for receiving the flu shot are listed below- all persons 60 years of age and older...and then to High-Risk groups such as those persons with chronic lung disease including asthma, heart disease, diabetes and other chronic conditions requiring regular medical follow-up or persons who live with or care for persons in these high risk groups.

The target populations for receiving the influenza vaccine:

- › 60 years and older, with or without chronic health conditions
- › Persons ages 2 – 59 with chronic health conditions
- › Children ages 6 months – 5 years
- › Women who will be pregnant or have newborns during the influenza season

**Fee - \$5.00**

**Services will not be refused, due to inability to pay.**
