**75.1 Lodge, private non-commercial:** An association of persons for some nonprofit purpose, but not including groups organized primarily to render a service which is customarily carried on as a business. Associated club or lodge facilities are intended for the sole and exclusive use of lodge members, their immediate families, and member’s guests by invitation. This provision does not extend to other outside groups, memberships or associations affiliated with any particular member. Private, non-commercial functions carried out by the lodge shall be under the control and auspices of a member of the lodge at all times. Facilities are not to be rented for commercial or monetary gain, unless specifically authorized under a valid land use permit.

**76. Lodging house:** A dwelling in which lodging or lodging and meals are provided for compensation for more than five (5) persons other than members of the resident family, excepting a nursing home as defined in this Section.

**77. Lot:**

- (a) A single parcel of land under a single or undivided ownership for which a legal description is filed of record of the boundaries of which are shown on a subdivision map, a parcel map, or record of survey map filed in the office of the county recorder.
- (b) The term "lot" shall include a part of a lot, when such part is used as though a separate lot for all of the purposes and under all of the requirements of this ordinance.
- (c) The term "lot" shall include two (2) or more abutting lots when combined and used as though a single lot.

**78. Lot area:** The total horizontal area within the lot lines of a lot.

**79. Lot, corner:** A lot situated at the intersection of two (2) or more streets which have an angle of intersection of not more than one hundred thirty-five (135) degrees.

**80. Lot coverage:** That portion of a lot or building site which is occupied by any building or structure, excepting paved areas, walks and swimming pools, regardless of whether said building or structure is intended for human occupancy.

**81. Lot depth:** The depth of a lot shall be the horizontal length of a straight line connecting the bisecting points of the front and rear lot lines.

**82. Lot, double frontage:** An interior lot having frontage on and with access on two (2) parallel or approximately parallel streets.

**83. Lot, interior:** A lot other than a corner lot or a reverse corner lot.

**84. Lot, key:** The first lot to the rear of a reversed corner lot whether or not separated by an alley.

**85. Lot line, front:**

- (a) In the case of an interior lot, a line separating the lot from the street.
- (b) In the case of a corner lot, the line separating the narrowest street frontage of the lot from the street.

**86. Lot line, rear:**

- (a) A lot line which is opposite and most distant from the front lot line; or
- (b) In the case of irregular, triangular or gore-shaped lots, a line ten (10) feet in length within the lot, parallel to and at a maximum distance from the front lot line.

**87. Lot line, side:** Any lot boundary line not a front lot line or a rear lot line.

**88. Lot, reversed corner:** A corner lot, the street side of which is substantially a continuation of the front lot line of the lot upon which it rears.

**89. Lot, through:** See "lot, double frontage".

**90. Lot, width:** The average horizontal distance between the side lot lines, measured at right angles to the lot depth at a point midway between the front and rear lot lines.

**90.5. Manufactured Home:** A complete single-family home deliverable in one or more transportable sections, on a permanent chassis, constructed to the preemptive standards established by the U.S. Department of Housing and Urban Development (HCD) in the CFR, Title 24, Part 3280, commencing with section 3280.1. When erected on site, it is 320 or more square feet in size, built after June 15, 1976 and designed to be used as a dwelling with or without a permanent

foundation when connected to the required utilities. "Manufactured home" includes a mobile home but is not a "factory-built home".

**90.6. Manufactured Housing Community:** Any area or tract of land where two (2) or more manufactured home lots are rented or leased, held out for rent or lease, or were formerly held out for rent or lease and later converted to a subdivision, cooperative, condominium, or other form of resident ownership, only to accommodate the use of manufactured homes constructed pursuant to the National Manufactured Housing Construction and Safety Standards Act of 1974 (42 U.S.C. Sec. 5401 and following) or mobilehomes containing two or more dwelling units for human habitation. The rental paid for a manufactured home shall be deemed to include rental for the lot it occupies. Employee housing that has obtained a permit to operate pursuant to the Employee Housing Act (Part 1 (commencing with Section 17000)) and that both meets the criteria of Section 17021.6 and is comprised of two or more lots or units held out for lease or rent or provided as a term or condition of employment shall not be deemed a manufactured housing community or mobilehome park. The California Department of Housing and Community Development has enforcement authority over manufactured housing communities and mobile home parks.

**90.8 Manure storage area:** Any area or structure on a dairy or other confined animal feeding facility used for storing manure produced by the animals on the site. Manure storage areas may be covered or uncovered and may include manure separation pits, lagoons, ponds, pits, drying areas, manure tanks, etc.

**91. Marquee:** A permanent roofed structure attached to and supported by the building and projecting over public property.

**92. Medical buildings:** Clinics or offices for doctors, dentists, oculists, chiropractors, osteopaths, chiropodists or similar practitioners of the healing arts; including accessory laboratories and a prescription pharmacy but not including offices for veterinarians.

**93. Mobile home:** A vehicle, other than a motor vehicle, constructed prior to June 15, 1976, designed and equipped to contain one or more dwelling units to be used without a permanent foundation and which is in excess of eight (8) feet in width or in excess of forty (40) feet in length. "Mobilehome" does not include a factory-built home, commercial coach or a recreational vehicle.

**93.1. Mobile home park:** See "Manufactured Housing Community".

**94. Motel:** A building or group of buildings containing individual sleeping or living units, designed primarily for use by automobile tourists or transients, where a majority of such units open individually and directly to the outside. An establishment shall be considered a motel, in any case, when required by the Health and Safety Code of the State of California to obtain the name and address of guests and a description of their vehicle and its license. The term "motel" shall include tourist court, auto court and motor lodge.

**95. Motor vehicle wrecking yard:** See "automobile wrecking yard".

**96. Non conforming building:**

- (a) A building or portion thereof lawfully existing at the time of the adoption of this ordinance, and which does not conform to the applicable regulations of this ordinance, or amendments thereto.
- (b) A building or portion thereof lawfully existing at the time of the adoption of any amendment of this ordinance, and which does not conform to the applicable regulations of such amendment or a subsequent amendment.

**97. Nursery school:** A school or the use of a site or a portion of a site for an organized program devoted to the education or day care of five (5) or more pre-elementary school age children, other than those resident on the site.

**98. Nursing home:** A structure operated as a lodging house in which nursing, dietary and other personal services are rendered to convalescents, not including persons suffering from contagious or mental diseases, alcoholism or

drug addiction and in which surgery is not performed and primary treatment, such as customarily is given in hospitals and sanitariums, is not provided. A convalescent home shall be deemed a nursing home.

**98.5 Occupancy Category:** A category used to determine structural requirements of a building based on occupancy. Occupancy classifications may be found in Chapter 3 of the California Building Code. The occupancy category is also used to determine if a structure is categorized as an occupied or non-occupied structure for determination of setback requirements.

**99. Off-street loading facilities:** A site or a portion of a site devoted to the loading or unloading of motor vehicles or trailers, including loading berths, aisles, access drives and landscaped areas.

**100. Off-street parking facilities:** A site or a portion of a site devoted to the off-street parking of motor vehicles including parking spaces, aisles, access drives and landscaped areas.

**100.3 Open sided shade structure:** A shade structure intended to shade animals which may include basic animal shade structures, corral shades, loafing barns, maternity barns and freestall barns.

**100.5. Other affected, or directly affected, person or party:** An other affected, or directly affected, person or party is a person or group of people who, based on living, working, or owning property in the immediate vicinity of a project that is the subject of a zoning action, where there is direct evidence, provided by the “affected” person or party, that they or their property is, or will be, damaged by the project after mitigation measures are applied to the project.

**101. Outdoor advertising structures:** Any structure of any kind or character erected or maintained for outdoor advertising purposes, upon which any outdoor advertising sign may be placed, located on a site other than the site on which the advertised use is located or on which the advertised product is produced.

**101.1. Outdoor festival:** Any music festival, dance festival, rock festival or similar activity, at which music is provided by paid or professional, or amateur performers or by prerecorded means, to which members of the public are invited or admitted for a charge or free of cost and which is to be attended by more than five hundred (500) persons.

**127.7. Temporary Use:** A use established for a specified period of time, with the intent to discontinue the use at the end of the designated time period.

**128. Thermal power facility:** Any stationary or floating electrical generating facility using any source of thermal energy (including coal, oil, or natural gas), and any facilities appurtenant thereto, to produce mechanical energy or to produce steam to spin a turbine that operates a generator. Thermal power facilities do not include any wind, hydroelectric, solar photovoltaic electrical generating facilities, or electrical generating facilities installed as incidental and accessory structures and uses located on the same site as a permitted use requiring site plan review or conditional use.

**128.5 Traffic Safety Visibility Area:** A space set aside on a lot in which all visual obstructions, such as structures, fences and plantings that inhibit visibility and thus have the potential to cause a hazard to traffic and pedestrian safety are prohibited, as follows:

- (a) **Area adjacent to any existing driveway on any lot** - the Traffic Safety Visibility Area is that area on the street side of a diagonal line connecting points, measured from the intersection of the driveway (located on the property or adjoining parcel) and the street right of way line, twenty (20) feet along the side of the driveway and twenty (20) feet along the street side of a lot.
- (b) **On a corner lot** - the Traffic Safety Visibility Area also includes that area of a corner lot on the street side of a diagonal line connecting points, measured from the property corner where the streets intersect, set back one (1) foot for every one (1) mile per hour of the posted speed limit along each street.

**128.7 Transitional housing:** Buildings configured as rental housing developments, but operated under program requirements that call for the termination of assistance and recirculation of the assisted unit to another eligible program recipient at some predetermined future point in time. Transitional housing for six (6) or fewer persons shall be considered a

residential use of property and shall be subject only to those restrictions that apply to other residential dwellings of the same type in the same zone.

**129. Trailer sales lot:** An open area where trailers are sold, leased or rented and where no repairs, repainting or remodeling are done.

**130. Use:** The purpose for which a site or structure is arranged, designed, intended, constructed, moved, erected, altered or enlarged or for which either a site or a structure is or may be occupied or maintained.

**131. Use, permitted:** A use which is listed as a permitted use in any given district in this ordinance. Permitted uses need not meet special requirements as a condition precedent to be allowed to establish in a given district.

**132. Use, permitted with administrative approval:** A use which is listed as a use permitted with administrative approval in any given district in this ordinance. Such uses may be required to meet certain requirements as a condition precedent to the granting of administrative approval which will allow the establishment of the use in any given district. (Note: administrative approvals were removed from the zoning ordinance when Ordinance No. 269.40 was adopted by the Kings County Board of Supervisors on October 4, 1994. Uses that were previously listed under administrative approval were moved to either site plan review or conditional use permit depending on whether or not an environmental review was required.)

**132.5. Variance:** A discretionary entitlement which permits the departure from the strict application of the development standards contained in the zoning ordinance under specific circumstances.

**133. Wall:** Any structural device forming a physical barrier which is so constructed that more than fifty per cent (50%) of the vertical surface is closed to the transmission of light, air, and vision through said surface.

**133.2. Wall (Noise Attenuation):** A wall or fence constructed as a mitigation measure to reduce the effect of a potential noise source.

**133.5. Williamson Act:** California Land Conservation Act of 1965, California Government Code Section 51200 et. seq.

**133.7 Xeriscape:** A water conserving method of landscaping in arid or semiarid climates which provide groundcover and dust control.

**134. Yard:** Open and unoccupied space on a lot in which structures may not be built, constructed or erected.

**135. Yard, front:** A yard, the depth of which is the minimum required horizontal distance between the front lot line and a line parallel thereto on the lot, which yard extends across the full width of the lot.

**136. Yard, rear:** A yard, the depth of which is the minimum required horizontal distance between the rear lot line and a line parallel thereto on the lot, which yard extends across the full width of the lot.

**137. Yard, side:** A yard, the width of which is the minimum required horizontal distance between the side lot line and a line parallel thereto on the lot, not including any portion of required front yard or required rear yard.
