

SERVICES

Services are available to anyone regardless of color, race, creed, sexual orientation, or ability to pay. Some services are targeted to specific age groups and to individuals with special medical needs. Fees vary depending on the funding source; and the client's ability to pay. Our facilities are accessible for people with physical limitations and translation services are available.

DIVISIONS

The Department of Public Health is organized into four divisions:

Nursing and Community Services,
Environmental Health Services,
Laboratory Services, and
Administration.
